Knit Show

Focussing on machinery and highlighting on accessories

Knit Show presents a world of possibilities for the garment and textile industry by showcasing the latest machinery, fashion accessories, fabrics dyes, chemicals and whole range of process. These elements are crucial for enhancing the quality of knit and woven garments, enabling them to compete on a global scale. The event not only provides a platform for discovering innovative solutions but also offers an opportunity for exchanging knowledge and expertise among professionals. Join the Knit Show to stay ahead of the curve and take your garment and textile business to the next level.

Knit Show

Quantity and quality of participants as well as diverse range of product display

The highly anticipated Knit Show, set to take place in Tirupur, India's hub for garment-textile, is poised for a surge in both the number and caliber of attendees. Over 500 national and international exhibitors will showcase a diverse array of products and services at the trade show. Our team is already gearing up with extensive experience and unwavering dedication to propel your business towards greater success, capitalizing on the resounding response from past events.

Knit Show

Come prepared to learn, discover, compare and source. Be where your buyers are!

At the Knit Show, exhibitors have a valuable opportunity to deepen their market penetration through direct interaction and hands-on experience, drawing in a vast audience from Tirupur and other textile hubs such as Coimbatore, Karur, Erode, Salem, and major cities such as Chennai, Bangalore, Hyderabad, among others. Attend prepared to acquire knowledge, make discoveries, and gain a competitive edge in your field. Be where your buyers are! Do not miss the chance to connect with your buyers and take confident steps forward in your business.

BUSINESS CATALYST

- Display a broad spectrum of machinery, fashion accessories, fabrics, and comprehensive range of processes and associated services that are soon to be introduced and currently available in the garment-textile industry.
- Knit Show serves as a platform for companies in the garment-textile industry to showcase their latest products and technologies, fostering business growth and expansion.
- By bringing together key players in the industry, Knit Show provides valuable networking opportunities from multiple manufacturers, dealers and buyers to connect and collaborate.
- The showcase of innovative products and services at the Knit Show can help inspire new ideas and drive business development in the garment-textile industry.
- The event serves as a hub for industry trends and insights, providing a valuable source of information and inspiration for attendees to take back to their businesses.

RIGHT TIME

The Knit Show exhibition is timed to coincide with the peak sourcing season and industry development, providing a valuable opportunity for participants to expand their business. By participating, they can showcase their products, services, and innovations, enhance their reputation, and gain new aspirations for success. Participants are encouraged to attend with an open mind and be prepared for meaningful business conversations.

Knit Show continues to set new standards in the world of textile exhibitions, delivering outstanding results year after year.

Knit Show is a highly regarded business platform that offers a comprehensive stage for garment and textile machinery manufacturers, dealers, fashion accessory manufacturers and dealers, fabric manufacturers and dealers, dyes, chemical, and ink manufacturers and dealers, processing equipment providers, and all related service sectors to showcase their opportunities and network. With a clear purpose and a broad vision, the exhibition has become a one-stop-shop for the garment-textile industry to learn, source, network, and explore the latest technology, innovation and services.

City Leaves, a well-established media firm in Tirupur's textile hub, produces the Knit Show and Tex Tech Show. With three decades of experience in garment directories and exhibitions, we act as a catalyst for businesses, bringing together garment manufacturers, exporters, buyers, accessories, machinery dealers, processing and jobworkers for productive trade and knowledge sharing. Over the years, the organisers have held successful trade exhibitions in various locations, proving their effectiveness in transforming the industry into a collaborative society that can capitalize on global opportunities.
